

**Week: 08-Aug-2023 to 14-Aug-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Finalized the requirements document.
- Started the design phase with initial UI/UX mockups.

**Blockers:**

- Need additional resources for detailed design work.

**Next Steps:**

- Continue developing UI/UX mockups.
  - Review designs with stakeholders.
- 

**Week: 15-Aug-2023 to 21-Aug-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Developed initial UI/UX designs.
- Conducted review meetings with stakeholders.

**Blockers:**

- Received feedback requiring design adjustments.

**Next Steps:**

- Refine UI/UX designs based on feedback.
  - Prepare for prototype development.
- 

**Week: 22-Aug-2023 to 28-Aug-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Refined UI/UX designs.
- Started developing prototypes.

**Blockers:**

- Minor delays due to design changes.

**Next Steps:**

- Complete prototype development.
  - Begin user testing of prototypes.
- 

**Week: 29-Aug-2023 to 04-Sep-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Completed prototype development.
- Began user testing of prototypes.

**Blockers:**

- Identified a few usability issues during testing.

**Next Steps:**

- Address usability issues.
  - Finalize prototypes for development phase.
- 

**Week: 05-Sep-2023 to 11-Sep-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Finalized prototypes.
- Started development of new features.

**Blockers:**

- Integration issues with existing codebase.

**Next Steps:**

- Resolve integration issues.
  - Continue feature development.
-

**Week: 12-Sep-2023 to 18-Sep-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Resolved integration issues.
- Continued feature development.
- Began code review process.

**Blockers:**

- Minor bugs identified during code reviews.

**Next Steps:**

- Fix identified bugs.
  - Complete feature development.
- 

**Week: 19-Sep-2023 to 25-Sep-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Completed feature development.
- Conducted comprehensive testing.

**Blockers:**

- Testing revealed performance issues.

**Next Steps:**

- Optimize performance.
  - Prepare for deployment.
- 

**Week: 26-Sep-2023 to 02-Oct-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Optimized performance.
- Prepared deployment strategy.

**Blockers:**

- Coordination with deployment team required.

**Next Steps:**

- Deploy updates to Samsung Health app and Galaxy Watch.
- Monitor post-deployment.

---

**Week: 03-Oct-2023 to 09-Oct-2023 Project:** Samsung Health and Wearable Integration Enhancement **Prepared by:** Sarah Lee

**Progress:**

- Successfully deployed updates.
- Collected initial user feedback.

**Blockers:**

- Some users reported minor issues.

**Next Steps:**

- Address user-reported issues.
- Continue collecting and analyzing feedback.
